Welcome back and Happy New Year! We hope everyone enjoyed a special time over the holidays. We appreciate all the delicious goodies that everyone brought to share at our Christmas celebration. We hope you enjoyed working with your child to create many wonderful projects! We welcome Audrey Plourde. Audrey has been looking forward to starting since her visit in November!

Looking Forward...

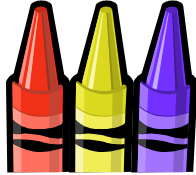

During January, the children will discuss Winter with the help of Frosty the Snowman. We'll add features to our snowman each day which coordinate with the color we will review that day. As we explore colors this month, we ask you to help your child to pick out something to wear that matches the color of the day.

Please look at the enclosed calendar to see what each day's color will be.

Home Links

1. Make a color book using pictures from magazines or pictures created by your child.
2. Library Field Trip—to find color books. Some examples, are Brown Bear, Brown Bear; Who said Red?; Green Eggs & Ham, Mary Wore a Red Dress, Mouse Paint, and My Crayon's Talk. Enjoy!

Monthly Grace

God is great! God is good!
And we thank Him for our food.
We're gonna thank Him morning, noon,
and night;
Cause God, God, God, is out of sight.
Amen (ch ch ch ch- ch ch ch ch ch)

Reminder....

We try to go outdoors as often as possible, so please send mittens, a hat, and outdoor footwear to school with your child. We will use our Call Tree to inform you of days that we will go sledding and will need snowpants.

Favorite Songs

Jesus loves the little children
All the children of the world,
Red, brown, yellow, black, and
white,
They are precious in His sight.
Jesus loves the little children of
the world.

God created the world to be a colorful and diverse place to live. We will learn songs about Jesus' love for all the children of the world. We'll also read about Noah and the ark and God's wonderful way of expressing a promise through a rainbow.
