Ellington Christian Nursery School

Our Purpose

- Our school's purpose is to help each child to reach his/her potential in all areas of development. As a Christian nursery school, we introduce the children to Christ's love for them and guide them to the understanding that He cares for them and watches over them. Throughout our curriculum, we provide opportunities for hands-on experiences with developmentally appropriate materials. Our activities are designed to foster cooperation and creativity. It is our hope and desire that each child will experience the love of Christ, as modeled by our teachers, in a very real way.
